

AMIGDALA

Modelling industries towards the Green Deal

Industry Transformation:

The project will guide industries toward sustainable practices, significantly contributing to environmental and economic progress through strategic steering.

Informed Decision-Making:

The initiative will empower decision-makers with comprehensive insights for strategic choices aligned with future climate neutrality and sustainability goals.

Impact Analysis:

Rigorous analysis by AMIGDALA will assess the consequences of governmental and industrial decisions, shedding light on their future effects on emissions, energy demand, and material usage.
